

# **COMMUNITY** **MEETING**

The North Fork Community Development Council announces a community meeting to hear about several exciting upcoming projects at the Mill Site including information regarding the asbestos remediation and demolition of the kiln buildings that will take place this fall.

LVI Facility Services, Inc. has been awarded the contract for the kiln building demolition work. Mr. Demesheo Wilson, of LVI, will present an overview of the work to be done and answer any questions from the community.

Date: Monday, August 25, 2008

Place: North Fork Town Hall

Time: 6:30 p.m. – 7:30 p.m.

(Doors open at 6:15)

The regular CDC Board meeting will follow immediately after the community meeting.
