

April 27, 2020 Board Meeting

Minutes (virtual meeting)

Posted on [May 1, 2020](#) by [admin](#)

Thanks to everyone who participated in the virtual board meeting. Participants were able to log in on their phones or computers. We could see each other so it was almost like being together in the board room. We will continue to hold board meetings virtually until the “stay at home” order has been lifted and we all feel safe to gather again in person.

Meanwhile, you can download the minutes from Monday’s meeting [at this link](#).
