U.S Dept of Commerce Economic Development Administration
Leonard Smith Regional Director

CDC meeting 5/18/15 Planning Committee

John EDA Grant consultant

A. Map submitted 4/22/2015
ESR Began Environmental Review. Working w/ Travis and Ron for modification to the map.
Letter from Valley Region Control Board.
Because of the way the letter was with Norm is want to treat this like a new project.
John will be speak to Norm why this is not a new project. This would delay everything.

1½ conference call with Grant Manager Brian Alvis
City Engineer P.E [redacted] EDA Will Marshall
EDR.
DRC meeting 5/27/15 –

Travis will finish up Tentative Map w/ Topo how to drain offsite. John think we do need the ponds. Now have Wetlands ?? will take a year?
