

CDC Holiday Reception

Posted on [December 7, 2010](#) by [admin](#)

Come to the CDC holiday reception potluck

Wednesday December 15

5:30 – 7:30pm

CDC board room

All are welcome to attend. The reception will also be an opportunity to express our appreciation for our departing grant administrator, Jill Mross. With the completion of all funded projects at the CDC, Jill will no longer be working at the CDC.

She will however, be available to us as a consultant on an as needed basis. Her service for the CDC has been invaluable! Not only has she performed her duties as Grant Administrator, she has also worn many other hats, always doing her best for North Fork. She will be missed!

Some come and celebrate the season with Jill and fellow community members on Wednesday December 15.
