

North Fork Demographic Reports

Posted on [February 2, 2022](#) by [admin](#)

For Data Nerds!

Here is a compilation of demographic data for the North Fork Population. There are several reports combined into one, so there is some duplication of data elements. The data is for the 93643 zip code and was obtained from ESRI, a data provider that draws information from the US Census and many other governmental sources.
