Project Title: CUP #2013-007 North Fork Mill Site Biomass Plant

Project Applicant: North Fork Community Development Commission

Project Location (include county): 57839 Road 225 North Fork, Madera County

Project Description:

To allow for a community based 1 megawatt Biomass Plant on the North Fork Biomass Plant. The project will utilize woody biomass feedstock from US Forest Service forest management programs. The project is intended to generate electricity through the gasification of forest sourced biomass.

This is to advise that the Madera County Board of Supervisors has approved the above (input checked) Lead Agency or (input unchecked) Responsible Agency

described project on January 28, 2014 and has made the following determinations regarding the above described project.

- 1. The project (input checked) will (input unchecked) will not have a significant effect on the environment.
2. (input unchecked) An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. (input checked) A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures (input checked) were (input unchecked) were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan (input unchecked) was (input checked) was not adopted for this project.
5. A statement of Overriding Considerations (input unchecked) was (input checked) was not adopted for this project.
6. Findings (input checked) were (input unchecked) were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Mitigated Negative Declaration 2013-08 available at the Planning Department
