The 2011 Earth Day celebration in North Fork will be held at the Mill Site. The festivities will include live Music, food, Craft vendors, E-waste and Tire recycling. Learn about local environmental/conservation efforts. The event will be solar powered, courtesy of North Fork's own, Offline Solar. The event will start at 10am with vendors doing business until 3pm. Live music will continue until dusk.

We hope to see you there!
