Notes from the special online vote of the Board of Directors of the North Fork Community Development Council held from May 25 to June 2, 2009.

Background: There is a VISTA volunteer coming to work for one year for the Yosemite Sequoia RC&D (at their Mill Site Office). The gentleman hired by them has a mobile home that he would like to live in, at the Mill Site. These volunteers receive only a small stipend, so, we would not charge any rent. They would however, act as caretakers and perhaps perform some other services.

The vote: Do you agree to allow Jill and the CDC President to negotiate a lease agreement, within the parameters above, with the individual?

The poll was taken using the website Doodle.com and the results can be seen here: <http://www.doodle.com/itni36ye8c37fea4>

The measure was approved with 9 board members voting for the proposal and none voting against.
