

Bioenergy plant community meeting

April 29

Posted on [April 10, 2015](#) by [admin](#)

You've probably heard by now that the North Fork Bioenergy project was awarded a \$4.9 million grant from the CA Energy Commission. The project managers are taking this opportunity to do more outreach to the community to answer any questions and address any concerns. If you are interested, please attend the community meeting on April 29th ([Download the flyer](#)). And feel free to spread the word to any and all community members and groups!

Date: April 29, 2015

Time: 5:30-8:00 PM

Location: North Fork Fire Station at the old mill site
