

Join the April 27 Board Meeting from home!

Posted on [April 18, 2020](#) by [admin](#)

The CDC will hold its April board meeting virtually. Board members and the public will be able to join the meeting from home, in one of two ways:

1. **Online web conference – logging in with a computer BEST METHOD**
2. **By phone**

The best way to participate in the meeting is to join the web conference. To do this you must have a computer with an internet connection. You will be able to see others (if they turn on their webcams) and they can see you (if you turn on your webcam). Webcams are optional, of course. You can download the agenda [at this link](#) and the financial report [at this link](#).

The meeting will be on Monday April 27 at 5:30 pm. We will keep it to 90 minutes or less. **Please join the meeting on your computer by 5:00pm.** This will allow time to work out any technology bugs you are experiencing. The meeting will start at 5:30 and we won't be able to do tech support for each participant once the meeting starts.
