

Willow Creek Trail

Posted on [March 26, 2014](#) by [admin](#)

If you haven't seen it yet, you should check out the Willow Creek Trail at the North Fork Mill Site. It is approximately 1.2 miles long and features some lovely views of the Willow Creek, meadows, forest and the mill site. You can download a trail map by clicking the following link.

People Grow Better With a Good Community Trail System!
Access the Willow Creek Community Trail at the Old Mill Site in South Fork, VA, by turning east on Road 205 (also called the Mainville Road) from downtown Hardy Park to the Old Mill Site in South Fork. Enter the Mill Site entrance in the locations indicated and follow the signs. Presently, the trail is unimproved, so watch for signs to follow the route.
