

April Public Meetings – North Fork Bioenergy Facility

Posted on [March 31, 2015](#) by [Justine Reynolds](#)

You are invited to attend either of two public meetings about the North Fork Bioenergy Facility. These meetings are meant to serve as an update on the project status to date, as well as provide community members with information on how to stay involved as we move forward into the construction phase. The sessions will include a brief presentation, followed by a tour of the site location.

Meeting #1

Wednesday, April 8, 2015

3:00 PM – 5:30 PM

Mill Site Fire Station

33400 Douglas Ranger Station Road

North Fork, CA 93643

Meeting #2

Wednesday April 29, 2015

5:30 PM – 8:00 PM

Mill Site Fire Station

33400 Douglas Ranger Station Road

North Fork, CA 93643
